

- 1 Read the passage and then write the number of the underlined section that corresponds to each story element listed below.

*(Around the World in Eighty Days (Jules Verne))*

The clock indicated a quarter before nine when he appeared in the great saloon.

Phileas Fogg had accomplished the journey round the world in eighty days!

Phileas Fogg had won his wager of twenty thousand pounds!

How was it that a man so exact and fastidious could have made this error of a day? How came he to think that he had arrived in ...London on Saturday, the twenty-first day of
