

BUSINESS VEHICLE INSTRUCTIONS

Miles Driven section MUST be completed for every vehicle that is used for business. Actual expenses are NOT required if you are using the government's "standard mileage rate." However, they are generally required if you are using the actual expense method, or if you used the actual method the first year the vehicle was placed in service. If this is the first year of business use for the vehicle, provide a copy of the purchase or lease contract.

DO NOT complete this section or the Business Vehicle Expense section if your vehicle is used only for commuting to and from work and for personal travel.
