

Adjectives – worksheet 1

An adjective is a describing word. It adds more information to sentences and helps you to build up a clear picture in your head about what is being described.

A world without adjectives would be very boring!

Practice piece number one.

Read the passage below and use the adjectives from the word bank to fill the missing words.

Chocolate is a _____ sweet that is close to every teacher's heart. Without this life-saving, _____, _____ snack, no teacher would make it through their _____ and _____ day. At the end of each _____, _____ lesson, teachers enjoy a _____ moment of pleasure by eating a _____, _____ and tempting reward. The most popular type of chocolate is Dairy Milk, which is _____ and a light _____ colour, with a _____, _____ wrapper.

"Chocolate" word bank

noisy brown sweet delicious stressful creamy shiny sugary busy
rioting calm milky dark blue

Well done!

Practice piece number two

Now complete the missing words from the next passage, this time using your own adjectives that you think fit best.

She was one of the most _____ people I've ever seen. She's got this _____, _____ hair that she can flick about her face, and it just falls back into place like the shampoo adverts. She has a _____ nose and perfectly _____ teeth. When she smiles, she lights up the room like the _____. Her skin is _____ like a peach. Her eyes are _____ and they sparkle like _____.
