\*For Cultural Awareness, students must take either American Foundations with Humanities and International Foundations or American Foundations with World Foundations 1 and World Foundations 2.

\*\*Should be completed prior to enrolling in junior level Accounting Courses.

\*\*\*Should be taken first semester of junior year.

\*\*\*\*Could be completed during the junior year. For students planning to pursue a Masters of Accountancy Degree, it is better to complete the internship during the senior year, especially for those planning a career in public accounting.

±Should be taken final semester
