# Plural Nouns

A singular noun names one person, place, or thing.  
A plural noun names more than one person, place or thing.  
Add *es* to singular nouns that end with *sh*, *ch*, *x*, *z*, and *s* to make them plural.  
Singular nouns that end in a consonant and *y*, change the *y* to *i* & add *-es*.  
lady = ladies                      body = bodies                      berry = berries  
Most singular nouns ending in *f*/*fe*, change the *f*/*fe* to *v* and add *-es*.  
Knife = knives                      Calf = Calves
