

Week 11 Lesson Plans

Date: Monday, 10/22/07

Grade Level: 10-12

Subject/Period: Intro to Drama (3rd block)

Lesson: Pantomime Project Performances

Lesson #: Week 11

Topic: Pantomiming

Rationale/Purpose

- To assess student ability to perform a creative and pantomime

Learning Objectives

- To master the basic principles of pantomime and apply them to common stage actions
- To recognize and practice conventional mime actions and exercises
- Students will use pantomime to suggest characters, thoughts, and feelings.

Standards Addressed

- Identify basic elements of theatrical training, including vocalization, kinesthetics, and emotional and intellectual processing
- Demonstrate use of the body and voice as creative instruments

Materials and Resources

- Rubrics
- Lecture notes

Accommodations for Students with Special Needs

- Vary instructional activities so that they will appeal to visual, auditory, and kinesthetic learners

Resource Students:

- Provide extra support using teaching assistants, parent aides, and student helpers.
- Supply visual guides and work samples.
- Break activities into manageable sections and record tasks on a weekly assignment sheet.
- Provide extra time to complete assignments.
- Create teams that support all learners.

Procedure (Procedure with time plan, modeling examples, transitions, guided practice experiences etc.)
