Cell Organelle Research Worksheet

Before you work on your Cell Organelle Trading Cards you will need to have the following information. Use the websites on the WebQuest page to find the information you need.

<i>Organelle</i>	<i>Nucleus</i>
<i>Where found (plant/animal/both)</i>	
<i>What it does in the cell</i>	
<i>Something/Someone that performs the same function in the school</i>	

<i>Organelle</i>	<i>Nucleolus</i>
<i>Where found (plant/animal/both)</i>	
<i>What it does in the cell</i>	
<i>Something/Someone that performs the same function in</i>
