

Direct Democracy

Congratulations! Your school has just received a large sum of money that is to be spent on the playground. You will participate in a direct democracy by voting on how to best spend the money. Read below for your three choices and write on the way you feel the money should be spent on the form at the bottom of the page.

Option A:

The money should be used to purchase:

- New balls for the playground that could be replaced yearly.
- New jungle gym equipment (swings, slides, and monkey bars)

Option B:

The money should be used to purchase:

- A baseball field that can be used for baseball, softball, and kickball games.

Option C:
