# THE NOTE

Write the correct answer.

One day Sasa found a note in her bag. It was a clue! The note said to go to the flag pole. At the pole, the next note said to walk up the slope. At the top, the note said to go home. What could be at home? Sasa peeked her nose in the door at home. Mom was there with a box of ice cream cones! Sasa was so excited!

What did Sasa find when she got home?

What did Sasa find in her bag?

What do you think Sasa was going to do next?

Where did the note tell Sasa to go first?
