BILLY AND JIMMY

Billy has a very special pet. It is a spider bug. It has a body like an insect, but it has eight legs like a spider. Instead of three body parts, it has five. Each body part is a different color. His name is Jimmy.

Jimmy is very friendly. He is a great pet to have because he can go anywhere. He can sit beside Elli's plate at the dinner table. He can ride into the grocery store on Billy's shoulder. He can also sit on Billy's desk at school. Jimmy can do all of these things because of his very special talent: he can make himself invisible!
