# The Mysterious Candy Offer

Once upon a sunny afternoon, in a quiet neighborhood, lived a curious girl named Mia. Mia loved playing outside, especially near the park. One day, as she swung on the swings, a friendly-looking stranger approached her.

The stranger had a big smile and held out a colorful bag of candy. "Hi there, little one," he said. "Would you like some delicious treats?"

Mia remembered what her parents had taught her about strangers:

## 1. Never Accept Gifts from Strangers

Mia hesitated. She knew she shouldn't take candy from someone she didn't know. "No, thank you," she replied politely.

## 2. Stay Away and Find Help

The stranger persisted. "Come on, it's just candy!" he urged. But Mia stood her ground. She glanced around, spotting her mom sitting on a nearby bench. She knew her mom was her trusted adult.

## 3. Be Cautious

Mia shook her head. "I can't," she said firmly. "I'll wait for my mom to get me some candy later."
