My New Toys

On my birthday, I received an exciting new toy—a robot! This little mechanical wonder can play games, deftly open and close doors, and even pick up items from the floor. My robot is an absolute blast to have around, and her usefulness makes her a fantastic addition to our household.

1. What did the person get for their birthday?

2. What can the robot do?

3. Why is the robot fun and useful?
