

Name: _____

Date: _____

Metals Facts

Directions : The following are facts about the properties of metals and their descriptions.
Fill in the description of each property.

	Properties	Descriptions
Chemical Properties	Reactivity	
	Oxides	
	Corrosion	
	Reaction with acids	
Physical Properties	Luster	
	Malleability	
	Ductility	
	Conductivity	
	Density	
	Melting Points
