Read the lines of poetry and figure out which technique is used: idiom, simile, metaphor, hyperbole, or personification!

The poetry	What technique is being used?
The daisy hugging the earth, in August, ha!	
Don't worry about the Alex. She's all bark and no bite.	
After getting my report card, I knew it was time to hit the books.	
The earth is the cup of the sun, that filleth in the morning	
Over the yawning chimney hangs the fog	
The smallest sprout shows that there is no death.	
Love is a breach in the walls, a broken gate.	
Where far remote, the moonbeams gloat
