Read the text below and answer the questions!

Emma: Hi! Can you help me? I'm trying to find the playground.  
Sam : Sure, I can help. Do you know where the big red school is?  
Emma: Yes, I know where that is. It's on Oak Street.  
Sam : That's right! From the big red school, you should walk straight down Oak Street for two blocks.  
Emma: Okay, walk straight for two blocks. What then?  
Sam : After two blocks, you will see a park with a big fountain. Turn right at the park.  
Emma: Got it. So, turn right at the park. What will I see next?  
Sam : Keep walking straight after you turn right. The playground is just a little down the street, on your left side.  
Emma: Thanks for your help! Is there anything else I should know?  
Sam : Remember, the playground is near the big oak tree. It's easy to spot because it has a lot of swings and slides.  
Emma: Great! I think I can find it now. Thanks a lot!  
Sam : You're welcome! Have fun at the playground!

1. What place is Emma trying to find?

\_\_\_\_\_

2. Which street is the big red school on?

\_\_\_\_\_

3. How many blocks should Emma walk straight on Oak Street?

\_\_\_\_\_

4. What is a good landmark to look for near the playground?
