Formal or Informal?

Sometimes we use formal language when we speak and write, sometimes we use informal language. Read the situations below. Circle formal or informal to show what kind of language might be used. For the sentences that are written in informal language, formally rewrite them.

1. *No way! That's so cool! You got an A!*

formal
informal

2. *Hello. It is my pleasure to meet you.*

formal
informal

3. *Would you like a cup of tea, ma'am?*

formal
informal

4. *Hey, see ya later, dude.*

formal
informal

5. *Please speak quietly in the library.*
