## PEER-PRESSURE SCENARIO WORKSHEET

Some of your friends are pressuring you to join a social media site.  
You don't want to as you know you are not old enough.

How will you respond this situation?

---

---

---

Some of your friends are saying that they are going to play a game  
around a place that is banned because it is not safe.  
They want you to join in but you really don't want to.

How will you respond this situation?

---

---

---

On a school trip, on the couch, a friend dares you to poke  
the person in front of you. You really don't want to.

How will you respond this situation?
