Read the paragraph below and decide if it is a good paragraph and answer the questions.

My very first job babysitting was really fun. I was looking after two little girls that I really like. They enjoyed it when I read to them and when I colored with them. We had lots of fun when we put puzzles together and when we played a board game. Best of all, they both listened to me when I asked them to do something. I like babysitting and really hope that I get the opportunity to babysit again.
