## Introduction Writing Activities for Students

### To encourage creativity in writing hooks.

Give students a topic and challenge them to come up with three different types of hooks for that topic

#### Question hook:

"What will happen to our planet if temperatures keep rising?"

---

---

---

---

---

#### Statistic hook:

"Over the last century, the Earth's temperature has increased by 1.4° F."

---

---

---

---

---

#### Quote hook:

"Greta Thunberg said, 'I want you to act as if our house is on fire. Because it is.'"

---

---

---

---

---
