A Day at the Park

Read the text below and answer the questions by choosing the true option.

Sam and Lily are brother and sister. One sunny day, they went to the park with their mom. Sam brought a ball, and Lily brought her kite. The park was full of children playing and laughing.

First, Sam and Lily ran to the playground. Sam climbed the slide, and Lily swung on the swings. Then, they went to the big green field. Sam kicked his ball, and Lily flew her kite. The kite went high in the sky. "Look at my kite!" Lily shouted.

After playing, they sat on a bench and ate sandwiches. Mom gave them juice and cookies, too. "This is the best day ever!" said Sam. Lily nodded and smiled.
