The Lost Puppy

Read the text below and answer the question!

One afternoon, Emma found a small, fluffy puppy hiding behind a bush in her backyard. The puppy was brown with white paws and looked scared. Emma gently gave it water and some leftover chicken.

Emma and her mom walked around the neighborhood to find the owner but had no luck. They took the puppy to the animal shelter, where a worker scanned it for a microchip. The chip helped them contact the owner, who had been looking for the puppy for two days.

The puppy, named Max, was happily reunited with its family. As a thank-you, the owner gave Emma a small stuffed animal shaped like a puppy. Emma felt happy knowing Max was safe.
