SHOWING RESPECT

There are many ways to show respect or disrespect – to someone. You can show respect by acknowledging people when they speak to you and by looking people in the eye. You can show respect by what you say and how you say it; and by what you do and how you do it. You can show respect by listening when someone else speaks. You can also show respect with your appearance and your body language.

SCENARIO: During a political debate, candidate A mocks the candidate B, constantly interrupts him, and rolls her eyes when he speaks. When candidate B does get a chance to speak, candidate A either laughs at what he says or boos him.
