TIMELINE WORKSHEET

Place events in chronological order. Be sure to include the event, date, and a brief description for all.

The worksheet features a central vertical line with an upward-pointing arrow at the top and a downward-pointing arrow at the bottom. Eight horizontal rectangular boxes are arranged symmetrically around this central line, with four boxes on each side. Each box is connected to the central line by a short horizontal line, creating a structure for recording events in chronological order.
