THE COLORFUL GARDEN

**In the garden, there are many flowers.
Some are red, like juicy strawberries
Others are yellow, like bright sunshine
Children are planting seeds.**

**They dig little holes in the soil and put the seeds inside.
Then, they cover the seeds with soil and water them.
They wait for the seeds to grow into beautiful flowers**

1. What can you find in the garden?

2. What are the children do in the garden?

3. How do they plant seeds?

4. What do they do planting the seeds?
