# A DAY AT THE PARK

One sunny Saturday morning, Mia and her little brother, Leo, went to the park with their mom. Mia brought her soccer ball, and Leo carried his toy car. The park was full of children laughing and playing.

First, Mia played soccer with her friends while Leo raced his car down a small hill. After a while, they all went to the swings. Mia pushed Leo gently, and he laughed loudly.

Then, their mom called them over for a snack. She had packed sandwiches, apples, and juice. "Yum! This is the best day ever!" said Leo.

After eating, they walked around the park and spotted a family of ducks swimming in the pond. Leo waved at the ducks, and one duck quacked back. "Quack, quack!" Leo said, making everyone laugh.

When it was time to go home, Mia and Leo said goodbye to the park. "We'll come back soon!" Mia promised.
