Timmy the Fast Turtle

Timmy was a small turtle who lived near a big pond.

Unlike the other turtles, Timmy dreamed of being fast.

His friends laughed and said, "Turtles are supposed to be

slow!" But Timmy didn't give up. Every day, he practiced moving quickly on land and swimming faster in the water. One day, the animals held a big race. Timmy joined, even though everyone thought he couldn't win. When the race started, Timmy gave it his all. To everyone's surprise, he crossed the finish line first! The animals cheered, and Timmy proved that hard work can make dreams come true.
