One sunny morning, Tom and his family went to the zoo. They were excited to see all the animals. Tom's little sister, Lily, was especially excited to see the elephants. As they entered the zoo, they saw a group of monkeys playing in the trees. Tom and Lily laughed at how silly the monkeys were, jumping from branch to branch.

After that, they went to the elephant area. The elephants were huge and had long trunks. Lily watched them for a long time and asked her mom many questions about them. Then, Tom and his family visited the lions. The lions were resting in the sun, looking very calm and peaceful.

At lunchtime, Tom and his family sat down at a picnic table. They ate sandwiches, fruit, and juice. After lunch, they walked around the zoo some more, seeing zebras, giraffes, and many other animals. Before leaving, they took a family photo near the giant giraffe statue. Tom and Lily had so much fun, and they couldn't wait to come back to the zoo soon!
