## Daisy the Helpful Duck

Daisy the duck lived near a big pond. One morning, she saw a turtle stuck in the mud. "Don't worry, I'll help you!" said Daisy. She waddled to her friends, the geese, and asked them to help. Together, they gently pushed and pulled until the turtle was free. "Thank you, Daisy!" said the turtle. "You're a great friend." Daisy smiled. "Helping others makes the pond a happier place!"
