Directions: Read the story below
then answer the questions about the text!

Ella's Honeycomb

Ella visited a beekeeper and saw a honeycomb full of honey. She noticed a broken piece on the ground and told the beekeeper. "The wind must have knocked it down," he said. Ella helped place it back near the hive, and the bees quickly got to work again. "Bees and people both need teamwork!" said the beekeeper with a smile.

Question!

1. Where did Ella visit?
.....
2. What did Ella find on the ground?
.....
3. What caused the honeycomb to fall?
.....
4. How did Ella help the bees?
.....
5. What lesson did the beekeeper share?
.....
