## THE FAMILY HOLIDAY

One day, Ella and her family went to the zoo. Ella was excited because she wanted to see her favorite animal, the giraffe. They walked to the giraffe enclosure, and Ella's eyes grew wide when she saw how tall the giraffe was! The giraffe was eating leaves from the tall trees. Ella watched as the giraffe stretched its long neck to reach the highest branches. She smiled and said, "Giraffes are the tallest animals on land!" Ella's mom told her that giraffes can grow up to 18 feet tall! Ella thought that was amazing. She took a picture of the giraffe and promised to tell all her friends about it when she got home.

### Question!

1. Where did Ella and her family go?

\_\_\_\_\_

2. What animal was Ella excited to see?

\_\_\_\_\_

3. What did the giraffe eat?
