BOOK ELEMENTS QUIZ

Become a Book Detective!

Put on your detective hat! Read each question carefully and choose or write the correct part of the book. Let's see how many you can solve!

1. What is the part of a book that shows the book's title, author, and sometimes an image?

2. Which part of the book lists the chapters and the pages where they start?

3. Where can you find the name of the author, publisher, and the date the book was published?

4. What do we call the section that explains the meanings of difficult words found in the book?

5. Which part of the book holds all the pages together and often shows the book's title when placed on a shelf?

6. Where can you find information about the book's copyright and publication year?

7. What is the part at the end of the book that gives more details, maps, or charts to help understand the content better?

8. What do we call the short description on the back of the book that tells what the book is about?
