The Rhythm Tree

Look at the rhythm tree below for the notes. The diagram shows how each note can be divided in half. Every time a note is divided in half, the value of the note is also divided in half—making it double the speed. Using the same idea, make a rhythm tree for the rests.

NOTES

RESTS

Write the counting for the following musical example, then clap the rhythm.

Viola
7

Create your own
8 measure rhythm in 4/4 time on the staff below. Use quarter notes,
half notes, whole notes and their corresponding rests.
