The Easter Chick

On Easter morning, Jack the little chick woke up early. He was so excited! Today was the big Easter egg hunt on the farm. He put on his tiny blue bow and ran outside. The grass was green, and the sun was shining. Jack looked behind a big tree and found a bright blue egg. Then, he peeked under a bush and saw a yellow egg. "This is so much fun!" he chirped happily.

Jack kept looking for more eggs. He hopped over a small log and found a red egg hiding in the flowers. "This is the best Easter ever!" he said. When he found his last egg, he ran to show his mama. "Great job, Jack!" Mama Hen said with a smile. Jack felt so happy as he hugged his mama and looked at his colorful eggs.
